Turbine Engines 2000 Years Ago

The turbine steam engine, which enabled the Mauretania to establish a speed record across the Atlantic is the descendant of the very oldest steam engine in existence, made by a Greek inventor over 2,000 years ago. There has also been another wonderful record established during the past 54 years and that is the record of cures made by the celebrated Hostetter's Stomach Bitters. It is absolutely pure and compounded from only such ingredients as are recognized and prescribed by the medical profession for ailments of the stomach, liver, kidneys and bowels. Be persuaded to try a bottle at once and see how much good it will do you. It cures sick headache, flatulency, poor appetite, sleeplessness, dyspepsia, indigestion, constipation, colds and malaria. Don't forget to ask for a free copy of our 1908 Almanac at any drug store. It's worth having.

ARIZONA SONG BIRDS

An Audobon Bird Society For Arizona

FOR OUR WARBLERS

The Habits of Song Birds Who Inhabit The Treasure Territory

At Tucson on Thursday Mr. Herbert Brown gave a very interesting lecture on the common song birds of Arizona. Specimens of birds from the University of Arizona, of which Mr. Brown is curator, were exhibited. He has been a student of Arizona birds for more than thirty years and has acquired a very accurate knowledge of their food and nesting habits. At the close of the meeting steps were taken toward the organization of an audubon bird society.

Cochise Club Dance a Decided Success

The Cochise Club covered itself with glory last night by giving at Gage Hall one of the best and most enjoyable dances that Tombstone society has had the pleasure of attending in many years. It was an invitation affair and about sixty couples availed themselves of the Club's hospitality. Dancing was the main feature, and cards were given their part. The hall was opened with a grand march, at the end of which two dainty little Misses passed out uniquely worded souvenir programs, the program girls were Ellen Berndt and Edie Davy. The success of a dance must of course depend upon the quality of music, and the Cochise Club certainly had it last night in Rudolph's Orchestra of Douglas—they played dance music that has seldom been equaled in Tombstone and certainly not in years as their selections were fine and their time simply superb—they made a hit with the dancers last night. The costumes of the ladies were especially pretty last under the mellow red illuminations of the hall. The decorations were simple but in excellent taste. Punch was served all during the "hop" and at 11 o'clock light refreshments were served at the Beach Sisters. Promptly at 1 a. m. the orchestra played "Home Sweet Home" and the final strains of that delightful old waltz sent home as merry a throng as has attended a dance in Tombstone in many, many moons.

SHE WILL BECOME CITIZEN

A Cochise County Lady Makes Application

UNIQUE DISTINCTION

Only Female Applicant In History of the County

Cochise county has the distinction of having the only woman applicant for citizenship papers in the county, if not in the entire territory. Among the list of applicants posted in the district clerk's office, as required by law, appears the name of Mrs. Matilda Cobb, of Herford. The date of hearing has been set for June 8th, at which time Mrs. Cobb will be called upon to answer satisfactory the usual legal questions which will make her entitled to all the privileges of citizenship and acquirement of property rights. It is said Mrs. Cobb will become the possessor of considerable property in this county upon the establishment of her citizenship.

Arizona Women Who Are Employed By Uncle Sam

A Tucson paper recently announced that the only woman carrier of a free rural delivery route in Arizona had just been appointed in this line. It is no doubt true, but Phoenix has a woman who is doing the same work, though officially she is only a sub-carrier. Mesa has an "acting" carrier who is a woman and there are others in the territory who are doing a similar service.

GIRL IS INJURED

An Arizona Girl Dangerously Wounded

Natalia Diaz, a little Tucson girl, was accidentally shot on Wednesday morning by fourteen-year-old playmate by the name of Yharra. The two children were playing with a .32 caliber rifle. Supposedly while scuffling over the possession of the weapon it was discharged and the bullet entered the breast of the little girl, inflicting a most dangerous wound.

TOTALS A BIG SUM

Half a Million Ap- propriation for Arizona

FOR IMPROVEMENTS

Liberal Allowances for Use of Arizona Public Buildings

Almost half a million dollars is in course of being expended by the Territory of Arizona for the improvement of its different territorial institutions, and this vast sum will be raised by taxation without the necessity of increasing the rate of taxation in Arizona a single cent.

The sums to be expended are as follows:—

For the University of Arizona.....	\$ 50,000
For the Asylum for Insane.....	50,000
For the Industrial School, Benson.....	17,000
For the Normal School, Flagstaff.....	35,000
For the Normal School, Tempe.....	60,000
For the Territorial Prison, Yuma.....	250,000
Total.....	\$462,500

Sheriff White, who left here recently for Phoenix, taking Patsy O'Toole to the insane asylum, had considerable trouble with his patient. O'Toole, soon after starting, became violent and had to be strapped down. O'Toole was sent up here from Douglas.

F. J. Vaughn, who was a resident of Tombstone during its early days, is here on a short visit from Bisbee. Mr. Vaughn was busy today renewing old acquaintances.

William Deckeraw is in the city from Johnson, where he has been for a number of weeks. He states that a number of companies in that district are getting ready to start shipments to the El Paso and Douglas smelters as soon as the branch railroad is completed into that camp.

RECALLS PAST

A Mysterious Disappearance

Eighteen years ago yesterday morning the Walnut Grove dam went out, with loss of life and great destruction of Prescott. Bob Brox's burglar proof safe, containing all the money of the neighborhood, as well as a lot which belonged to Brox, went down with the flood and was never found. Prescott Courier.

Missing Arizonan Found in Chicago

Chicago, Ill., Feb. 26, 1908.
Ed. Prospector, Tombstone, Ariz.
Dear Sir—Seeing the ad. in your paper of one John W. Walker being lost, strayed or stolen, we beg to inform you that we are reasonably certain we have located the party. He first attracted the attention of our department by wandering aimlessly around in the snow of the down-town district, muttering something that sounded like "Home is nothing like this." On being closely questioned all he would show any interest in would be some subject relative to Arizona, and of this he would talk very enthusiastically, asserting at times that people who could see no difference in the weather of Arizona and that of Chicago had sand in their gear-box.

We feel so sure that we have the party desired that we will take the responsibility of sending him west during the present week, so you may look for him some time early next week. Respectfully, etc.,
KETCHUM & STICKUM,
Detectives.

Following the Flag

When our soldiers went to Cuba and the Philippines, health was the most important consideration. Willis T. Morgan, retired Commissary Sergeant U. S. A., of Rural Route 1, Concord, N. H., says: "I was two years in Cuba and two years in the Philippines, and being subject to colds, I took Dr. King's New Discovery for Consumption, which kept me in perfect health. And now, in New Hampshire, we find it the best medicine in the world for coughs, colds, bronchial troubles and all lung diseases. Guaranteed by all druggists. Price 50c and \$1.00. Trial bottles free."
